Allowable Subject Matter

Claims 10-16, 19-20, 25-27 are allowed.

The following is an examiner's statement of reasons for allowance:

The rejection of claims 10-16, 19-20 under 35 U.S.C. 112, first paragraph in the previous Office action is withdrawn due to Applicant's argument in paper dated on 11/10/2008. Applicant's argued that claim 10 requires the use of certain microorganism species and the examiner is in correct in finding that the claims are drawn to microorganisms with no limitation to the species. Moreover, as previously pointed out, the recited species are publicly available. Therefore, the claims are believed to be enabled without the need for a deposit.

Any comments considered necessary by applicant must be submitted no late than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Niloofar Rahmani whose telephone number is 571-272-4329. The examiner can normally be reached on Monday through Friday from 8:30 am to 5:00 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Janet Andres, can be reached on 571-272-0867.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
